NOTICE OF MECHANICS LIEN

ATTENTION!

Upon the recording of the enclosed MECHANICS LIEN with the county recorder's office of the county where the property is located, your property is subject to the filing of a legal action seeking a court-ordered foreclosure sale of the real property on which the lien has been recorded. That legal action must be filed with the court no later than 90 days after the date the mechanics lien is recorded.

The party identified in the enclosed mechanics lien may have provided labor or materials for improvements to your property and may not have been paid for these items. You are receiving this notice because it is a required step in filing a mechanics lien foreclosure action against your property. The foreclosure action will seek a sale of your property in order to pay for unpaid labor, materials, or improvements provided to your property. This may affect your ability to borrow against, refinance, or sell the property until the Mechanics Lien is released.

BECAUSE THE LIEN AFFECTS YOUR PROPERTY, YOU MAY WISH TO SPEAK WITH YOUR CONTRACTOR IMMEDIATELY, OR CONTACT AN ATTORNEY, OR FOR MORE INFORMATION ON MECHANICS LIENS GO TO THE CONTRACTORS' STATE LICENSE BOARD WEBSITE AT www.cslb.ca.gov.

Construction Notice Services, Inc. (68914)

Exhibit 'A'

Burnett St Berkeley, CA (Burnett): Beginning at approximately the intersection of Park Street and Burnett Street heading east and ending at the intersection of Burnett Street and Acton Street for approximately 361 feet of pipe replacement along Burnett Street.

Construction Notice Services, Inc. (68914)

Exhibit 'B'

The mechanic's lien which is the subject of this notice is intended to apply and attach to the interests in the property of the subject owner to the extent of all labor, services, equipment and/or materials, including without limitation pipes, structures, mechanisms and other parts associated therewith, provided by claimant (collectively hereinafter referred to as the "Items") to or for the benefit of the owner enabling the transportation and control of natural gas through the owner's distribution system, and any easements, leases, licenses, rights and other property interests of owner that are appurtenant or related thereto.

Notwithstanding any provision herein which may appear to be to the contrary and except to the extent permitted by law, claimant does not assert a present mechanic's lien on or to the extent of any real property or related interest owned or held by a governmental unit or other entity which may not be subjected to a mechanic's lien under California law.

The nature and extent of the herein-contained location descriptions and other identifying information for the Items have been placed in the public record with a view toward providing notice to the owner and other parties of claimant's mechanics lien while also safeguarding paramount interests of public safety and security. More specific and related location information is already in the possession of the owner, and claimant would consider making such information available to any other party with proper purpose subject to necessary public safety considerations and confidentiality restrictions.

Exhibit 'B'

The mechanic's lien which is the subject of this notice is intended to apply and attach to the interests in the property of the subject owner to the extent of all labor, services, equipment and/or materials, including without limitation pipes, structures, mechanisms and other parts associated therewith, provided by claimant (collectively hereinafter referred to as the "Items") to or for the benefit of the owner enabling the transportation and control of natural gas through the owner's distribution system, and any easements, leases, licenses, rights and other property interests of owner that are appurtenant or related thereto.

Notwithstanding any provision herein which may appear to be to the contrary and except to the extent permitted by law, claimant does not assert a present mechanic's lien on or to the extent of any real property or related interest owned or held by a governmental unit or other entity which may not be subjected to a mechanic's lien under California law.

The nature and extent of the herein-contained location descriptions and other identifying information for the Items have been placed in the public record with a view toward providing notice to the owner and other parties of claimant's mechanics lien while also safeguarding paramount interests of public safety and security. More specific and related location information is already in the possession of the owner, and claimant would consider making such information available to any other party with proper purpose subject to necessary public safety considerations and confidentiality restrictions.

NOTICE OF MECHANICS LIEN

ATTENTION!

Upon the recording of the enclosed MECHANICS LIEN with the county recorder's office of the county where the property is located, your property is subject to the filing of a legal action seeking a court-ordered foreclosure sale of the real property on which the lien has been recorded. That legal action must be filed with the court no later than 90 days after the date the mechanics lien is recorded.

The party identified in the enclosed mechanics lien may have provided labor or materials for improvements to your property and may not have been paid for these items. You are receiving this notice because it is a required step in filing a mechanics lien foreclosure action against your property. The foreclosure action will seek a sale of your property in order to pay for unpaid labor, materials, or improvements provided to your property. This may affect your ability to borrow against, refinance, or sell the property until the Mechanics Lien is released.

BECAUSE THE LIEN AFFECTS YOUR PROPERTY, YOU MAY WISH TO SPEAK WITH YOUR CONTRACTOR IMMEDIATELY, OR CONTACT AN ATTORNEY, OR FOR MORE INFORMATION ON MECHANICS LIENS GO TO THE CONTRACTORS' STATE LICENSE BOARD WEBSITE AT www.cslb.ca.gov.

Construction Notice Services, Inc. (68927)

Exhibit 'A'

The mechanic's lien which is the subject of this notice is intended to apply and attach to the interests in the property of the subject owner to the extent of all labor, services, equipment and/or materials, including without limitation pipes, structures, mechanisms and other parts associated therewith, provided by claimant (collectively hereinafter referred to as the "Items") to or for the benefit of the owner enabling the transportation and control of natural gas through the owner's distribution system, and any easements, leases, licenses, rights and other property interests of owner that are appurtenant or related thereto.

Notwithstanding any provision herein which may appear to be to the contrary and except to the extent permitted by law, claimant does not assert a present mechanic's lien on or to the extent of any real property or related interest owned or held by (1) a governmental unit or other entity which may not be subjected to a mechanic's lien under California law or (2) any person or entity other than Pacific Gas and Electric Company and its affiliates as their interests may appear.

The nature and extent of the herein-contained location descriptions and other identifying information for the Items have been placed in the public record with a view toward providing notice to the owner and other parties of claimant's mechanics lien while also safeguarding paramount interests of public safety and security. More specific and related location information is already in the possession of the owner, and claimant would consider making such information available to any other party with proper purpose subject to necessary public safety considerations and confidentiality restrictions.

NOTICE OF MECHANICS LIEN

ATTENTION!

Upon the recording of the enclosed MECHANICS LIEN with the county recorder's office of the county where the property is located, your property is subject to the filing of a legal action seeking a court-ordered foreclosure sale of the real property on which the lien has been recorded. That legal action must be filed with the court no later than 90 days after the date the mechanics lien is recorded.

The party identified in the enclosed mechanics lien may have provided labor or materials for improvements to your property and may not have been paid for these items. You are receiving this notice because it is a required step in filing a mechanics lien foreclosure action against your property. The foreclosure action will seek a sale of your property in order to pay for unpaid labor, materials, or improvements provided to your property. This may affect your ability to borrow against, refinance, or sell the property until the Mechanics Lien is released.

BECAUSE THE LIEN AFFECTS YOUR PROPERTY, YOU MAY WISH TO SPEAK WITH YOUR CONTRACTOR IMMEDIATELY, OR CONTACT AN ATTORNEY, OR FOR MORE INFORMATION ON MECHANICS LIENS GO TO THE CONTRACTORS' STATE LICENSE BOARD WEBSITE AT www.cslb.ca.gov.

Construction Notice Services, Inc. (68932)

Exhibit 'A'

The mechanic's lien which is the subject of this notice is intended to apply and attach to the interests in the property of the subject owner to the extent of all labor, services, equipment and/or materials, including without limitation pipes, structures, mechanisms and other parts associated therewith, provided by claimant (collectively hereinafter referred to as the "Items") to or for the benefit of the owner enabling the transportation and control of natural gas through the owner's distribution system, and any easements, leases, licenses, rights and other property interests of owner that are appurtenant or related thereto.

Notwithstanding any provision herein which may appear to be to the contrary and except to the extent permitted by law, claimant does not assert a present mechanic's lien on or to the extent of any real property or related interest owned or held by (1) a governmental unit or other entity which may not be subjected to a mechanic's lien under California law or (2) any person or entity other than Pacific Gas and Electric Company and its affiliates as their interests may appear.

The nature and extent of the herein-contained location descriptions and other identifying information for the Items have been placed in the public record with a view toward providing notice to the owner and other parties of claimant's mechanics lien while also safeguarding paramount interests of public safety and security. More specific and related location information is already in the possession of the owner, and claimant would consider making such information available to any other party with proper purpose subject to necessary public safety considerations and confidentiality restrictions.
